

# The TATtler

Topcliffe and Asenby Times

## Open Day and Buffet Lunch at the Village Hall

This month Topcliffe & Asenby Village Hall will be among hundreds of village halls across England that will be celebrating the vital role they play in the community and the importance that volunteering has in keeping them operating.

As part of the week-long celebration (17 to 23 March) our Village Hall is holding an 'Open Day and Buffet Lunch' on Sunday 23 March between 11am and 1pm. The lunch will include quiches, sandwiches, sausage rolls, cakes, scones, biscuits and tea and coffee.

There'll be a presentation on the large screen showing examples of what goes on in the hall every week. And the volunteers who make the hall 'tick' will be present to meet residents and answer questions about its operation.

In addition, our local North Yorkshire Council representative Cllr Dan Sladden and members of our two Parish Councils have been invited to hear about the excellent work done to operate and maintain the hall, and to meet their constituents.

Across England, it is estimated that over 80,000 people regularly volunteer their time with village halls, from those on management committees who oversee the day-to-day use of the building and its finances, to those who organise events and group activities for the benefit of the local community. Topcliffe and Asenby Village Hall has a committee of just thirteen residents to organise a variety of events and ensure that the hall - a hub at the centre of the community - is available for everyone's use.

It would be great to see lots of residents popping into the Village Hall on Sunday 23 March.

### Bake to help out

Can you help out by baking a quiche, cake, scones, biscuits or sausage rolls? If so, your contribution would be greatly appreciated. Contact Karen Morley on 01845 577426 to let her know what you can provide.

## Bingo success!

The bingo sessions in the Village Hall are going really well, with plenty of people turning up to play at the first few sessions. So, it's obvious there's sufficient demand, guaranteeing the future of the game in Topcliffe for the foreseeable future.

A regular fortnightly session will be held at 1pm, immediately after the Warm Hub lunch, on alternate Wednesdays, 5 and 19 March... and so on.

The cost is 50p per game ticket, meaning the cost of playing one ticket in all 10 games is just £5. The prize pot is calculated according to the amount of cash taken on the day. A cuppa is provided free of charge during the session.

## The Flying Oysters

If previous dance nights featuring The Flying Oysters are anything to go by, their performance at Topcliffe & Asenby Village Hall on Saturday 29 March will be a sell-out success.

The band is one of the north's top rock/pop bands and they are back here in Topcliffe by popular demand. It'll be a fantastic evening of popular music from the 70s to recent chart hits.

The ticket price is £15 and that includes a two-course supper. Tickets are on sale at Topcliffe Post Office or from Doug Allan on 07785 223707.

This is a 'Bring Your Own Drinks' evening. Doors open 7.30pm and the music starts promptly at 8pm.

## Art at the Village Hall

Do you fancy getting out your brushes and oils to create an amazing scene from one of the world's greatest gardens? If so, this one-off class at Topcliffe & Asenby Village Hall is just right for you. Artist and teacher Rebecca Jayne will be leading the session entitled 'Paint Beautiful Gardens from around the World' on Thursday 27 March from 10.30am to 1.30pm.

Save the date or pre-book your place. Suitable for beginners and artists at all levels. For more information and to book, visit [www.rebeccajayneartist.co.uk](http://www.rebeccajayneartist.co.uk)

## Want to swap memories?

If you enjoy meeting people and sharing stories of times gone by, there's a discussion group which meets at Thirsk Community Library which may be of interest. The Memory Swap Discussion Group meets on the first Monday of the month between 2 and 3.30pm. Refreshments are available. No charge to attend and there's a lift and hearing loop system for those who need them.

## Rev Dawn Ward

The Churchwarden and Parochial Church Council at St Columba's has announced that the Rev Dawn Ward is taking on a more permanent role in Topcliffe parish.

Rev Dawn will already be familiar to many parishioners and churchgoers through her presence at local events, her contribution to the life of Topcliffe Academy and her personal support and involvement in pastoral care for several local families.

It's hoped that she will enjoy her time here in Topcliffe and that her placement with St Columba's will be a fulfilling, happy and fruitful one.

## Warm Hub Lunch

The next Warm Hub lunch will be held at the Village Hall on Wednesday 5 March...then on 19 March and fortnightly thereafter.

They're on from 11.30 to 12.45pm. A selection of home-made meals is served, followed by a choice of puddings and tea or coffee. There's no set charge, but donations are welcome to help pay the rental cost of hiring the Village Hall and for essential food and drink items that must be purchased for each lunch. Everyone is welcome.

Residents of Topcliffe and Asenby can have a meal delivered if they are housebound - either on a short-term basis because of illness, or longer-term. If you wish to have a meal on the day the Warm Hub is held, please get in touch with Karen Morley on 01845 577426.

## Warm Hub needs your help

There's a wonderful team of volunteers who regularly and generously give up their time to prepare food and serve it at the Warm Hub lunch in the Village Hall. But every now and again they need support if a member of the team is unavailable, perhaps because they are poorly or on holiday.

A recent appeal for more volunteers attracted interest from half a dozen people who have joined a list of those who can be called upon to help out occasionally. If you think that you could offer assistance now and again, please get in touch with Karen Morley on 01845 577426.

Just a reminder that Karen is also looking for more volunteers to occasionally prepare some food for the Warm Hub. It can be a contribution to the main course, such as a stew or lasagne, or a pudding such as a crumble or trifle.

## Topcliffe Parish Council Report

It is pleasing to report that progress has been made in several areas over the last few months.

**HGV Traffic:** Councillors have held regular HGV weight restriction zone enforcement days and can report some success. Offending vehicles are reported to North Yorkshire Council's trading standards department and the evidence has been used to get six successful prosecutions, with fines totaling nearly £2000. In addition, a further six drivers have received a warning and four are pending prosecution. We will continue to hold these enforcement days.

The Parish Council secured £20,000 from the Dalton 49 developers to purchase ANPR cameras to police the HGV zone. North Yorkshire Council has indicated that it now has no objection to these cameras, but permission must be sought to install them on council lampposts. Once installed, it's expected that the prosecution success rate should dramatically increase as these cameras operate 24/7...and a lot of the analysis will be done automatically.

North Yorkshire Council is being pushed to provide the 'Section 106' money that was legally agreed with the Dalton developers when they received planning approval. The cash is supposed to be payable against certain milestones as the project progresses. A sum of £50,000 was agreed for signage on the A168/A19 to be installed by National Highways. Parish councillors are pushing for a date and urgent progress. A further £50,000 is allocated for monitoring of HGV movements and the general traffic situation, plus any necessary enforcement measures. The Parish Council intends to ensure the money is actually used for this purpose.

A few months ago, North Yorkshire Council's highways department placed traffic counters across the road between The Swan and Topcliffe Academy. The results showed an increasing number of both legal and illegal HGVs journeys through the village. This information is very useful because it supports the Parish Council's case for action.

Asenby, Dalton and Sessay villages have similar HGV traffic problems as we do here in Topcliffe and they have agreed to work together in the future.

**Speeding Vehicles:** Some Dalton 49 money has been used to purchase a second speed sign and recorder for the village. It will be installed as soon as it arrives and will mean that both Long Street and Station Road near the school will be permanently monitored. The signs do seem to reduce drivers' speeds but more importantly the data collected is presented to both the police and North Yorkshire Council when the Parish Council requests improvements to reduce speeds.

**Toll Booth:** This Grade II listed building, which is owned by the village, is gradually deteriorating despite several thousand pounds being spent on it in recent years. The report following a recent survey to determine works that need doing and the likely cost, does not make good reading. It shows that an estimated £70,000 needs to be spent to bring it up to a minimum standard. This is a huge potential bill that the Parish Council...and ultimately the village, will have to pay.

**There's always a warm welcome awaiting you at your local pub.**

**The Swan is a traditional hostelry serving good quality food and a wide variety of beers, lagers, wines and spirits. Meals served Wednesday to Saturday between 5 and 8.30pm and Sunday lunch from 12 noon to 4pm.**

**Bookings now being taken for Mother's Day (Sunday 30 March) and Easter Sunday (20 April). Please book early to avoid disappointment.**

**Jane and George would like to offer a huge thank you to all customers for their continuing support.**

**THE SWAN, FRONT STREET, TOPCLIFFE YO7 3NZ TEL: 01845 595185**

*Continued on page 4...*

Continued from page 3...

A real concern is that North Yorkshire Council could impose an improvement notice on the Parish Council, forcing it to make these improvements and pay for them. Councillors are now looking at the various options and the best way forward and will keep residents informed.

**Surgery grit bin:** A grit bin is to be placed outside the doctor's surgery to improve the safety of patients in icy conditions.

**New Council member:** At the February council meeting Andrew Eckersley was welcomed as the new co-opted member of the Parish Council.

### Jigsaw Puzzle Exchange

Here's a good idea for all you dissectologists out there. The Coffee and Chatter Group that meets in St James' Church at Baldersby St James will be holding jigsaw puzzle exchanges on the fourth Tuesday of each month. The next 'exchange' is on Tuesday 25 March between 10am and 12 noon. Please take along any puzzles that you would like to swap. This is a great opportunity to obtain new ones without having to buy them.

Note: There are some 'unofficial' terms for people who do jigsaw puzzles, one of which is puzzler. The term makes perfect sense, so many people are happy to use it. But 'puzzler' is not the correct, official term that describes a person who puts jigsaw puzzles together. The official term is a 'dissectologist'. The term may seem an ironic choice at first, especially if you don't know the origins of the jigsaw puzzle. However, it does make perfect sense once you know that the first jigsaw puzzles were called dissected maps.

### A wee tour of Thirsk

Recently the Darlington & Stockton Times published an interesting article about 'urine deflectors' and specifically mentioned and pictured one located in an alleyway in Stockton-on-Tees.

Apparently, over a century ago, these deflectors were constructed to dissuade 'gentlemen' who might have had a pint or three too much to drink from relieving themselves in an alleyway corner. The deflector, as its name suggests, deflected urine back on to the person's trousers and shoes.

Fascinating, thought Topcliffe resident Gordon Hatton, and off he popped to check if similar deflectors can be found in Thirsk.

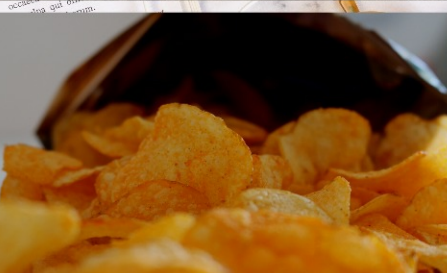

"The interesting article inspired me to make a tour of Thirsk in search of such features" says Gordon. "I must confess that the search was difficult and largely futile, but in a corner of Bakers Alley, just off the Market Place, I came across an unusual construction.

"It may not be as finely constructed as the Stockton example, but I presume it served the same purpose. It has to be said that I did not test it, but it looks possible that it had a similar function. It abuts up against a chimney breast and there's a similar one on the other side. It is possible that these structures were there simply to support the base of the brickwork, but I would like to think that they are both 'deflectors'."

**TOPCLIFFE  
POST OFFICE**

For all your postal requirements, car tax, banking, newspapers, cards, lottery tickets, lunches, snacks, sweets and much more!

## Big Race Night - Runaway Success

The sell-out Horse Race Night held at the Village Hall a couple of weeks ago, was an amazing fundraising success. Nearly 100 people enjoyed an evening of exciting racing and helped raise nearly £3,500 for Village Hall funds.

A huge thank you is due to everyone who attended, but especially the dozen volunteers that made sure the night went smoothly, especially John and Alf Teesdale from Sandhutton who provided the technical and betting knowledge, to Karen and Malc Morley, Linda Carver and Linda Robinson who prepared the excellent supper, to Fran Eckersley and Julia McGrann who organised the betting desk, to Karen and Andrew Cussons who ran the busy bar, and to Lynne Mee and Judith Lowe who organised the very successful raffle.

This major event wouldn't be possible without the generous support of a range of local businesses. Therefore, as organiser and promoter of the event, I would like to record my personal thanks to all the sponsors including Severfield, YES Hire, Hambleton Brewery, Crab Manor Hotel, My Electrical Contractors, the Sanderson family, Sandhill, Topcliffe Post Office, JAB Agricultural, My Lock Up, The Angel Inn, The Swan, Theakston's Brewery, Black Sheep Brewery, Frontier Ltd, Yorkshire Vintners, Bedale Golf Club, Bedale Bubbles Hot-tub Hire and the racecourses at Catterick, Ripon and Thirsk.

Thank you one and all.

## Village Halls Week

As part of a national celebration of village halls and the volunteers who run them, Topcliffe & Asenby Village Hall Committee is organising a

# Buffet Lunch

for  
**Village Hall Open Day**

on  
**Sunday, 23 March - 11am to 1pm**

**The Village Hall is a fantastic social hub at the centre of our community. Come along, enjoy a buffet lunch and meet the volunteers who are committed to keeping it open and operational.**

### ALSO MEET

# Cllr. Dan Sladden, Topcliffe's representative on  
North Yorkshire Council

# Topcliffe and Asenby Parish Council representatives

This is a great opportunity for Village Hall Committee members, elected politicians and villagers to get together over lunch and it's also an opportunity for everyone to look around the Village Hall and to watch a slideshow on the large screen featuring many of the activities that regularly take place.

**No charge for entry.**

**Buffet Lunch - no fixed charge but donations welcome.**

**Traditional fish and chips  
Available for parties,  
functions, weddings,  
christenings, etc  
a perfect catering idea!**

## Meet a digital buddy

The Digital Hub, which operates at Thirsk Community Library, is a resource to help people who need a little support to understand and handle their digital activities. Digital Buddies are there to assist with queries every Monday and Thursday, and every second Saturday of the month there's a Digital Cafe at which you can get support whilst enjoying some refreshments.

## Thirsk Repair Cafe

Do your bit for the environment in the new year by being greener, avoiding waste and saving money. Let the Repair café team of dedicated and talented volunteers try to repair your broken or worn-out items. Saturday 22 March from 10am until 1pm. All jobs done in return for a voluntary donation.

*Repair Cafe*

## Village Organisations - diary dates

Topcliffe & Asenby Village Hall Committee - The next meeting of the Village Hall committee will be at 7.30pm on Tuesday 18 March in the hall.

Asenby Parish Council - The next meeting of Asenby Parish Council will be held at 7pm on Wednesday 19 March 2025 in the upper committee room at the Village Hall.

Topcliffe Parish Council - The next meeting of Topcliffe Parish Council will be held at 7pm on Thursday 3 April in the Village Hall.

## Snooker Club

Annual fees for Snooker Club membership are now well overdue. The amount for 2024-25 has once again been held at £30. Those wishing to remain in membership or join the club, should contact Treasurer Dave Bowman to make payment. If you have been a member and are not intending to renew, please return your door key as soon as possible. David can be contacted on 01845 577843.

## The Sunday Email

Next week's Sunday Email will be the 253rd edition. It originated during the first days of the Covid pandemic and has now been going for five years. For many residents it continues to be a popular read over Sunday morning breakfast. Anyone who wants to be added to the circulation can register by going to [www.dougallan.co.uk](http://www.dougallan.co.uk)

## Making the most of your Village Hall

Residents of Topcliffe and Asenby and people from surrounding areas, are extremely fortunate to have on their doorstep a brilliant community facility that hosts many groups, clubs and one-off events.

Some people may not be familiar with arrangements for using the hall for private events, such as Christenings or birthday parties, anniversary celebrations, wedding receptions and even wakes. And, of course, the hall can also be booked for classes and business meetings.

Hiring the Village Hall is an excellent choice for family events and there are enough tables and chairs to seat 95 people in the main hall, with a fully equipped kitchen available for any catering required. The hall contains three different spaces for hire - a large main hall and two smaller committee-style rooms.

Booking the hall is simple. All bookings are made via the Hallmaster system which can be accessed on the Topcliffe's website - [www.topcliffe.org.uk](http://www.topcliffe.org.uk) (there is also a link via Asenby's website - [www.asenby.org](http://www.asenby.org)).

Once on the 'Village Hall' page go to 'Book the Village Hall' slot which explains everything you need to know before booking, then click 'Hallmaster Booking System'. You just need to choose the date and time you would like to book on the calendar. First time users will need to provide their name and address to set up a customer profile, and naturally there are Standard Conditions of Hire which hirers are expected to accept and follow, but really the process is quite straight forward and easy to follow. Payment for bookings is online through the Village Hall PayPal account.

Anyone interested in a potential booking who wants to chat about their requirements, or anyone experiencing any difficulty making a booking, can call the Bookings Administrator, Helen Fothergill on 07592 650944 or email [tavhc1@gmail.com](mailto:tavhc1@gmail.com). She'll also be happy to arrange a pre-booking viewing of the hall and its facilities.

The Village Hall Committee has set charges to cover the cost of maintaining the hall and keeping it available primarily for residents' use but also for use by the wider community. Residents living within either Topcliffe (which includes Allenbrooke) or Asenby parishes are offered a discounted rate.

Simply the best!

## Kristina's shop is making a difference

A shop in Thirsk with strong ethical trading beliefs and practices has expanded its in-store product line to include food refills in a bid to encourage customers to reduce the amount of plastic packaging they use.

Kristina's at 3a Kirkgate is a shop with a conscience. It takes pride in stocking a wide variety of ethical, Fairtrade and sustainable products including organic baby and kids' clothing, green living products, home wares, gifts, cards and refillable toiletries...all ethically sourced and environmentally sound. There's also a small selection of cupboard staples including rice, pasta, oats and more, and it's hoped this range can be increased over time.

For a number of years, the shop has offered refills of household products, such as washing-up liquid and shampoos, so the move to introduce refills of certain foodstuffs is a natural move forward. As Kristina says: "I want to make a difference and I am doing my bit one step or one sale - at a time. Whether you're browsing for a present or simply stocking up for yourself, there's a fantastic range of ethical goods available in store or on our website."

Kristina's is open Monday to Friday 9.30-3 and Saturday 9.30-4. Do pop along and see what her environmentally friendly shop has to offer. Alternatively, take a look at her website - [www.kristinas.co.uk](http://www.kristinas.co.uk)

## Meet best-selling authors

There's a chance to meet two best-selling authors at the White Rose Books & Coffee Bar on Market Place, Thirsk on Thursday 13 March at 6.30pm. Milly Johnson will be in conversation with Lucy Diamond and they promise a lively and fun evening of chat and questions and answers. They'll also be signing copies of their latest books. £16.99 each includes entry and one book, plus light refreshments, £5 without book. For tickets call 01845 524353.

## Your local councillor ...always available to help

Local councillor, Dan Sladden, who represents the Sowerby & Topcliffe division on North Yorkshire Council aims to be accessible to people and to listen to their concerns and ideas for our community. He has already been quite active in support of issues in Topcliffe and his support has been very welcome. His email address is [cldr.dan.sladden@northyorks.gov.uk](mailto:cldr.dan.sladden@northyorks.gov.uk) and his phone number is 07466 487989 - so do not hesitate to contact him if you have any issues you would like to discuss with him.

## Wedding Open Day at Catton Hall

The new wedding and events location at Catton Hall is holding an open day on Sunday 13 April between 11am and 2pm. The brand new venue will be available for inspection and the range of 'stretch tents' available will be showcased. Free entry.

## St Columba's Services in March

Ash Wednesday 5 March at 7pm - Compline for Lent  
Sunday 9 March at 10.45am - Holy Communion, Rev Robert Williamson

Wednesday 12 March at 7pm - Compline for Lent  
Sunday 16 March at 10.45am - Sung Matins

Wednesday 19 March at 7pm - Compline for Lent  
Sunday 23 March at 10.45am - Holy Communion, Rev Robert Williamson

Wednesday 26 March at 7pm - Compline for Lent  
Mothering Sunday 30 March at 10.45am - a special service with Rev Dawn Ward

A warm welcome awaits all at these services with refreshments and time to chat following the Sunday morning services and after each Evensong and the Easter Vigil wine and pre-supper nibbles are served.

## St Columba's Special Events

On Thursday 22 May at 6pm St Columba's Choir will once again sing Evensong at the church of Christ the Consoler in the grounds of Newby Hall, accessed from Skelton-on-Ure. Everyone is most welcome to enjoy the opportunity to visit this spectacular high Victorian church which is now maintained by the Historic Churches Trust having been closed some years ago for regular worship. Parking available.

To celebrate St Columba's Day on Sunday 8 June there'll be a special Choral Eucharist service at 10.45am led by Rev Robert Williamson. It will be followed by the usual family BBQ at 1pm and during the afternoon there'll be visits to the top of the church tower and history tours around the church. It's possible that more events to enhance the celebration will be announced later.

## Churchyard tidy up

Last year a wonderful group of regular volunteers left the main churchyard in the best state it has been in living memory. Now spring is almost here, it is time to begin again and hopefully also reclaim further areas of the lower terraces.

To 'kick-start' this we invite you to join our Church Yard Tidy-Up, 9.30 to 12.30 on Saturdays 9, 16 and 23 March, weather and energy permitting! Do try to help if you can. Refreshments will be available.

## Fish & Chip van in Topcliffe

It's fifteen years since father and daughter Paul and Karen Bumby took the plunge and took over the fish and chip van that visits Topcliffe every Friday evening. Operating under the name Chip 'n' Dales, they have faithfully served the local community...as well as several other villages in the area.

The original van-based fish and chip business in the village was owned by Ted Reeder in about 1998, though it appears he did not personally serve meals to the public, preferring to leave that side of the business to a tenant, Steve Sidebottom. After about a year, Ted decided to sell up and he persuaded local builder Cliff Gospel and his wife Margaret to take up the challenge. For several years Cliff continued in the building trade but then 'retired' to concentrate on the fish and chip business. Cliff and Margaret ended up serving from the van for 12 years and in that time established a very successful trade in the area.

It was Cliff and Margaret who sold the business to Paul and Karen and taught them all there is to know about fish and chips. After learning the ropes and watching how they worked the huge van and cooking range, Karen and Paul eventually felt sure enough to go solo. From there their fish and chip business has grown to include catering at corporate events, weddings, and parties for all occasions.

"Fish & chips are still one of the nation's favourite takeaway meals," says Karen "and Dad and I endeavour to serve the best fish and chips in the area. It has sometimes been a rocky road, but we have always wanted to provide a quality service to our local communities and other customers. The cost of operating the mobile shop has rocketed in recent years, meaning the cost of the fish and chips has also had to increase, but we have always tried to keep prices as low as possible".

Just to complete the picture of the role of mobile shops and local fish and chips, over the years several buses converted into mobile fish and chip shops visited Topcliffe and surrounding villages. Two in particular were operated out of Crayke and Burniston. It seems they stopped visiting once the van-based business was going strong in Topcliffe.

In a future edition of The Tattler it's hoped that a bit of history about fish and chip businesses based in shop premises in Topcliffe can be covered in an article. If you have any background information that might help develop this storyline - names and dates, please get in touch with the editor.

## Norton Conyers House and Gardens

Anyone driving into Ripon on the A61 will see the sign pointing to Norton Conyers House, but maybe few have taken the turn and decided to pay a visit to this throwback to the 16th century.

The house was first mentioned in the Domesday Book in 1086 but recent discoveries suggest there was a habitation in Viking times. It is one of the most complex timber-framed houses in the country and except for the twenty years between 1862 and 1882, has been in the Graham family since 1624.

*Norton Conyers Hall*

Norton Conyers is a late medieval manor house with Stuart and Georgian additions. Its exterior has distinctive Dutch-style gables and its interior contains fine 18th century plaster ceilings in the principal rooms, fine furniture and accumulated family portraits and paintings. The house has received many noteworthy visitors over the years including Charles 1 in 1633 and James II and his wife in 1679 (the room and the bed they traditionally used are still on display) on journeys to Scotland.

In 1839 Charlotte Brontë visited Norton Conyers and heard the legend of a mad woman confined in the attics in the previous century. It is said to have given her the idea for the mad Mrs Rochester in 'Jane Eyre', and the house's interior gave her many ideas for Mr. Rochester's 'Thornfield Hall'. The discovery in 2004 of a blocked staircase connecting the first floor to the attics and clearly mentioned in the novel, aroused world-wide interest in Norton Conyers and confirmed it as a principal inspiration for 'Thornfield Hall'.

The gardens were laid out in the mid-18th century and they retain the essentials of their original design, together with sympathetic replanting in the English style. The large and magical walled garden has a central Orangery, an ornamental pond, magnificent herbaceous borders and parkland beyond.

*Norton Conyers Hall gardens*

The house itself has been undergoing extensive restoration for several years and is open to the public on around 30 days each year. The gardens are open more regularly and the schedule of dates is due to be published on their website this month - [nortonconyers.org.uk](http://nortonconyers.org.uk)

# THE ANGEL INN AT TOPCLIFFE

We had an absolutely fantastic Burns Night celebration, with great food, lively conversation and unforgettable moments—thank you to everyone who joined us. Here are some photographs from the evening to relive the magic.

Looking ahead, we're thrilled to announce restaurant availability for Mothering Sunday lunch bookings on 30th March between 1 and 6pm. Come celebrate with your Mum and treat her to something special...but book early to avoid disappointment.

Also, we're excited to invite all Brides & Grooms-to-be to our Wedding Open Day on Saturday, 29th March. It's the perfect chance to tour our Events Suite, meet some amazing local suppliers, and hear about all the exciting new options we'll be offering for weddings in 2025 and beyond.

Our last Hilarity Bites comedy evening was a huge success and the next one is already in the works for 8th May. Make a note in your diary to make sure you don't miss a great night of fun and laughter.

Follow The Angel Inn at Topcliffe on social media to stay up-to-date on all the latest events. Finally, Maggie, Dave, Katie, Rose and the team wish to thank everyone for their continued support—we can't wait to see you again soon.

## Restaurant and Bar Meals

To avoid disappointment, it is always advisable to book tables in advance.
